

Airrosti Benefit Talking Points

In-Network with Cigna:

Airrosti is fully covered in-network for employees enrolled in Cigna's health plan. Both in-clinic and virtual care options are available.

What Airrosti Treats:

Airrosti provides fast relief for a range of muscle and joint pains, including back, neck, shoulder, knee, elbow, foot, and ankle issues. They focus on resolving the root cause of pain, whether it's from a chronic condition or a recent injury.

Quick and Effective Care:

Most patients see significant improvement in as few as 3-4 visits. Airrosti's personalized treatment plans combine manual therapy and active rehab to promote mobility and physical well-being.

Convenient Access:

Employees can schedule an appointment online, by phone, or through the Airrosti app, with availability typically within 24-48 hours.

Virtual Care Option:

Airrosti Remote Recovery provides a telehealth option for personalized treatment from home. It's a great alternative for employees who need flexible or remote care.

Benefits Verified:

Before the first visit, Airrosti's Patient Advocate Team ensures that all insurance benefits are verified, making the process smoother for employees.

How to Schedule:

Employees can schedule appointments online in 3 - 5 minutes by visiting airrosti.com/schedule-appointment/, downloading the [Airrosti App](#) which can be found in the Google Play or Apple App Store, or calling 800-404-6050 to speak to a member of Airrosti's Patient Advocate Team.
