

Relief for Muscle & Joint Pain—Airrosti is an In-Network benefit!

Dear [Employee],

We're excited to share that Airrosti is an in-network benefit for employees enrolled in the health plan! Airrosti specializes in resolving muscle and joint pain quickly, getting you back to feeling your best without unnecessary procedures, medications, or long recovery times.

If you're struggling with pain or discomfort, Airrosti Remote Recovery, a virtual PT care option, is a convenient way to receive expert care from the comfort of your home. With this program, you'll have direct access to an Airrosti provider who will create a customized plan to help relieve your pain in as few as 3 visits.

Why choose Airrosti Remote Recovery?

- Easy to access virtual care with unlimited visits for 12 months.
- Personalized, one-on-one support from a dedicated provider.
- Proven to resolve pain and prevent future injuries quickly.
- Includes a recovery kit with all the mobility & stability tools you need.

To schedule your Airrosti appointment or learn more, visit [Airrosti.com](https://www.airrosti.com) or download the Airrosti app from the Google Play or Apple App store. Take control of your health today with Airrosti!

Best regards,
